

Be a Guest Performer!

at SDYS' early childhood music class, ChIMES

ChIMES - Childhood Introduction to Music Education, with Smiles!

Share your love of music with 0-5 year olds and their families!
Guest performers are the 5-minute featured musicians at SDYS' introduction to music education classes.

What Guest Performers do:

- Choose and perform a 1-3 minute section or piece of music that you can play well. Any style of music is permitted. Guests will also choose and perform a favorite children's song that families can sing along to. (ex: *It's a Small World*, *Twinkle Twinkle*, *Wheels on the Bus*)
- Tell us about yourself and answer questions from our families.
- Be friendly, and help the ChIMES Teaching Artist during class (if you would like).
- Have fun!
