sdys.org/chimes-learn4life
or talk to your
HOPE coordinator!

Enhance and enrich your child's learning
through playful music activities!

**SING, DANCE, AND SMILE
WITH YOUR CHILD**

ChIMES (Childhood Introduction to Music Education, with Smiles) provides meaningful music-making experiences that build stronger parent/child bonds and enhance early growth and development. Children develop musical and motor skills through singing, movement, rhythm activities, hands-on instrument play and exposure to a variety of orchestra instruments and genres of music.
